THE CATCH

HOW TO PLAY

2–6 PLAYERS · 20–40 MIN · THE DECK + ONE PHONE

WHAT YOU NEED

This deck (68 trait cards, 6 blanks, 30 stalk chips) and one phone open to **bymayawalsh.design → The Catch → Play**. The cards are the game — the phone just shows who's on the market and keeps score.

SET UP

1. **Players**
   Pick who you're looking for (girls, guys or everyone), then add everyone's name and a player type each (right).
2. **Write your own**
   Optional: write real behaviors on the blank cards and shuffle them in.
3. **The table**
   Shuffle the deck face-down. Give everyone 3 stalk chips. Everyone starts at 0 points with 3 ghosts.

EACH MATCH · 7 IN A GAME

1. **Meet them**
   The phone shows who's on the market.
2. **Deal**
   Deal 6 cards: **2 face-up**, **4 face-down**. Those six cards are this person.
3. **Stalk**
   Spend a chip to secretly peek at one face-down card. Put it back. Tell no one.
4. **Decide**
   On 3, everyone says **DATE** or **GHOST** out loud. Out of ghosts? You date.
5. **Flip & enter**
   Flip every card. If you dated, add up all 6 **using your type** and type your total into the phone. Ghosted? Tap GHOSTED. Discard the six.
